*Explanation: The fire department was awarded a FEMA Assistance to Firefighters grant (AFG) in the amount of Eight Thousand Dollars (\$8,000.00) to purchase a self-contained breathing apparatus (SCBA) air cylinder fill station. The purchase of this piece of equipment will allow firefighters to safely fill high pressure air cylinders. The amount above reflects the town's share of 5% towards the purchase of this equipment.*

**ARTICLE 14:** To see if the Town will vote to raise and appropriate and/or transfer from available funds the sum of Thirteen Thousand One Hundred Dollars (\$13,100.00) to purchase radio pagers and chargers for the fire department; and/or take any action relative thereto.
